No.721, Kamahtan Street

Tamwe Township , Yangon

## Summary

Experienced and motivated web developer with a year of expertise in front-end technologies, including HTML, CSS, JavaScript, Bootstrap 5, and Tailwind CSS. Additionally, I have six months of hands-on experience with the Odoo framework. Currently, I am expanding my skill set to include backend development, particularly in Node.js, to create robust APIs. Committed to delivering visually appealing and user-friendly interfaces, I thrive in collaborative, cross-functional teams. Strong problem-solving abilities and a passion for innovative web solutions drive my contributions to successful projects.

## Experiences

### Frontend Development

*2022 – Present*

- Developing Website with Front-End development tools and frameworks.
- Proficient in frontend development technologies: I have extensively worked with HTML, CSS, JavaScript, bootstrap 5, Tailwind CSS and React JS to create visually appealing and interactive web pages. I am well-versed in utilizing modern frontend frameworks like React to build dynamic user interfaces.
- Collaborative problem-solving: While learning, I actively engaged in online communities and forums to seek advice, share insights, and collaborate with fellow developers. This experience enhanced my ability to work in a team, effectively communicate ideas, and solve complex coding challenges together.

### Backend Development

*Ongoing Learning*

- Actively advancing my skills in backend development, with a focus on Node.js, to create robust APIs and enhance overall web application functionality.

### Collaborative Problem Solving

- Engaged in online communities and forums during the learning process to seek advice, share insights, and collaborate with fellow developers.
- Enhanced ability to work effectively in a team, communicate ideas, and collectively solve complex coding challenges.

## Work Experience

### Odoo Framework

*BEE Data Myanmar Co.Ltd.,*

- Six months of expertise in the Odoo framework, contributing to the development of robust business applications.
- Contributed to the customization and enhancement of Odoo modules to meet specific business requirements.

## Skills

- Proficient in HTML, CSS, JavaScript, bootstrap 5, Tailwind CSS, and React JS.
- Strong knowledge of the React framework and its ecosystem.
- Extensive experience in developing responsive and user-friendly websites.
- Basic skills in Node.js, actively expanding expertise to create robust APIs and enhance web application functionality.
- Version Control: Git, GitHub.
- Cross-Browser Compatibility Testing.
- Problem-Solving and Troubleshooting.
- Excellent Communication and Collaboration Skills.
- Strong time management and organizational abilities, ensuring timely project delivery.
- Effective collaboration in team environments.
- Problem-solving and critical thinking.
- Adaptability and quick learning.

## Education

Classic Garden Private School - *High School graduate*

- High school graduated in 2020 at Classic Garden Private School.

## Projects
